

AN IDEA INSPIRED RIGHT HERE IN PIKE COUNTY

"My wife Jordan had wanted an app like this for years: a way to discover the interesting places we pass every day and make room for scenic detours. WanderWay grew out of her idea right here at home in Pike County. We're inviting our neighbors, local history buffs, and scenic drivers to test it and help shape it."

— Derek & Jordan Boyer · Pike County, Ohio

Explore What's in Our Own Backyard

- ✦ **Johnson Road Covered Bridge (River Rd)**
Historic 1870s Smith-type timber truss crossing the Scioto basin. Hear directional highlights right as you approach.
- ✦ **Lake White State Park & Scenic Drive**
1930s WPA engineering, scenic shoreline curves, and National Register listings along State Route 104 and 551.
- ✦ **Piketon Ceremonial Earthworks & Mounds**
Ancient prehistoric Adena and Hopewell ceremonial mounds preserved along the historic US-23 corridor.
- ✦ **Waverly Canal Historic District**
Original Ohio & Erie Canal architecture and historic landmarks in downtown Waverly.
- ✦ **Sunday Drive Scenic Loops**
Have 45 minutes or 2 hours? WanderWay generates a circular scenic backroad loop starting and ending at your driveway.
